

Columbus Chorus presents

*Holiday
Harmony*

December 3, 2023

Would like to thank...

*For their generous support
over the years of printing
our fabulous show
programs!*

Welcome to Columbus Chorus' holiday show where we celebrate the season in 4-part, acappella harmony. We are so glad you've taken your precious time to join us this afternoon. Actually, I have the best "seat" in the house as it's my honor to stand before these talented singers. They will be blending their voices to invite you to embrace all that the season offers. We wish each of you a kind and peaceful holiday filled with your own special harmonies.

*Kathy Larkins
Director*

*Sally Stark
Team Manager*

We are so excited to share the gift of music with you today. While we sing and perform all year long, the holiday season is our favorite, and I must admit our busiest. From starting in mid-November until the end of December, we will have performed nine other times in addition to today's show. Can you tell we truly love singing?

Our performance today, titled "Holiday Harmony", exemplifies not only the **musical harmony** we create but also the **spirit of harmony** in which we come together as a chorus. There are so many opportunities in an organization such as ours to learn, to work together, to have fun together and to form new friendships. Led by our talented and caring director, Kathy Larkins, we continue to grow and thrive with now over 100 members all coming together in harmony.

We hope you enjoy the show and experience the special joy that music brings.
